New York City Landmarks Preservation Commission  
1 Centre St, 9<sup>th</sup> Floor North  
New York, NY 10007

Dear Commissioner Carroll,

We are writing as a follow up to our July 23<sup>rd</sup> letter regarding Grand Prospect Hall at 265 Prospect Avenue in Brooklyn. We request that you schedule the preservation of the façade of Grand Prospect Hall for the Public Hearing on Tuesday, September 14<sup>th</sup>. With the interior demolition of the building already in progress, protection from LPC that would require the building's owner to preserve the façade is urgent. There is a growing list of over 35,000 names on a community petition to preserve the structure. It is clear to us that this building is an important part of the Park Slope streetscape and history and it deserves priority consideration from the LPC review committee.

Sincerely,
